Graduate Attribute and Continuous Improvement (GACIP) Summit Plus 2026

The program is set for our 13th annual event, and here are the details:

The Continuous Improvement Concepts Pre-Workshop (aka “The Plus”)

Wed. Dec. 16th (2 - 4 pm EST)

This popular session is ideal for those for whom active GACIP involvement is a new interest or responsibility. Participants are walked through a full CI cycle alternating between explanations of CI concepts and interactive small group activities.

THE GACIP SUMMIT :

Thurs. Dec. 17th

Morning Session (11am to 1 pm EST):

CEAB Accreditation Updates I Recent Site Visit Panel I Accreditation Related Resources and Supports

Afternoon Session (1:30 to 4 pm EST):

“Seeking Synergy - Student Engagement in GA/CI” - a workshop identifying present student interactions with GA/CI across Canadian programs, and exploring potential approaches that could increase student awareness, understanding, and engagement with the GA/CI Process. Will include: discussion of present student engagement; presentation of different student engagement approaches in several programs; guided breakout room discussions and exercises.

Registration will be by session, allowing participants to attend some or all of the offerings according to your interest and availability. The event remains both fully virtual and free of charge.
